CALL FOR APPLICATION

-- Are you between the ages of 18-29? Do you live in the Western Balkans? Do you see yourself as a potential leader and positive influencer? Do you want to become a Young European Ambassador?

If your answers are YES, then below you will find a great opportunity for you!

Young European Ambassadors from the Western Balkans

Applying is easy! All you need to do is to complete a short application form (in English), and send in a 1-minute video about your talents, ambitions, and ideas.

This first call is seeking 60 dynamic young individuals from the Western Balkans (Albania, Bosnia-Herzegovina, Kosovo*, Montenegro, North Macedonia, and Serbia). Potential applicants do not need to have prior experience of EU programmes and initiatives, but should have an interest in learning about the EU's values, and promoting the opportunities that the EU offers. Most importantly, Young European Ambassadors (YEAs) must be open to sharing ideas, investing their time and developing their talents.

As a YEA, you will have the chance to connect with your peers from across the Western Balkan region and the EU through events and study trips. You will get involved in all kinds of creative and social action projects and learn how to become a positive youth influencer. You will also have the opportunity to participate in tailor-made training courses to develop your knowledge and skills.

Devoted to the arts and culture? Love sport and how it bridges cultural divides? Or, maybe you are committed to protecting the environment? Whatever your passion, if you have an inspiring message to share – the Young European Ambassadors network is looking for you. Say YES to YEA!

Applications are open now and close on 15 July 2020.
